### **Clinical Res Nurse Coordinator**

#### **About SickKids**

Dedicated exclusively to children and their families, The Hospital for Sick Children (SickKids) is one of the largest and most respected paediatric healthcare centres in the world.

As innovators in child health, we lead and partner to improve the health of children through the integration of healthcare, leading-edge research and education.

Our reputation would not have been built - nor could it be maintained - without the skills, knowledge and experience of the extraordinary people who come to work here every day. SickKids is committed to ongoing learning and development, and features a caring and supportive work environment that combines exceptionally high standards of practice.

When you join SickKids, you become part of our community. We share a commitment and determination to fulfill our vision of Healthier Children. A Better World.

Don't miss out on the opportunity to work alongside the world's best in paediatric healthcare.

#### **Position Description**

##### **Here's What You'll Get To Do**

- Coordinate and share responsibility with the principle investigator and research team for all aspects of the research studies
- Prepare and maintain study documentation including database management and study data entry
- Function autonomously with guidance from the principle investigator
- Provide support to other research team members, where necessary
- Ensure that studies are conducted with Good Clinical Practice Guidelines and REB and Research Institute policies and procedures
- Attend 1-2 hour home visits with families who live within 1 hour of SickKids
- Perform required study assessments during at home visits including but not limited to review of medication administration, medication diaries and adverse events
- Collection of blood samples during home visits and delivery to a lab at SickKids

## **Here's What You'll Need**

- Graduate Degree in Nursing
- Must be willing to drive to facilitate home visits, have a valid Ontario driver's license and access to a car. Reimbursement for gas will be provided.
- Registration with College of Nurses of Ontario
- Previous experience in the coordination of research studies will be considered an asset
- Previous experience in neonatal care and blood sampling via heel prick will be considered an asset
- Advanced problem solving, organizational, teamwork, and communication skills

## **Our Commitment to Diversity**

The children and families we care for are from a variety of communities, and so are our employees. We welcome and encourage everyone to join our organization and be part of our team.

When requested, SickKids will provide access and inclusion supports to eligible candidates to support their full engagement during the interview and assessment process. Information received related to access or inclusion will be addressed confidentially.

Thank you for your interest in joining SickKids. Only those applicants selected for an interview will be contacted. In accordance with our Hospital policy, employment at SickKids is conditional upon the Hospital's receipt of all necessary documentation.

FOR EXTERNAL APPLICANTS ONLY: As a health care institution, our highest priority is the safety of patients, families and staff. As a result, we are adopting all prevention measures to ensure the safety of our patients, families and our staff. Therefore, any offer of employment is conditional upon you submitting proof that you have been fully vaccinated with a Health Canada or World Health Organization (WHO) approved COVID-19 vaccination as soon as possible and no later than fourteen (14) calendar days prior to the effective start date, in addition to satisfying any other condition(s) that may be set out in an offer. If a candidate fails to satisfy this condition (or any other condition(s) set out in an offer), any offer of employment shall be immediately rescinded.

## **How to Apply**

Tip: Combine your cover letter and resume into ONE document of 20 pages or less as you cannot upload multiple documents as part of your application.
