Department:Family Practice Health Centre

Job Type:Full Time

Number of Positions:1

Salary:\$34.24 - \$49.02/Hour

Employee Group:ONA

Hours of Work:37.5 per week

Women's College Hospital (WCH) is an academic, ambulatory care hospital in Ontario with a focus on health for women, health equity and health system solutions. If you're ready to be part of a team that is revolutionizing the future of healthcare, then you will want to join an institution where the possibilities for innovation, new discovery and system thinking are limitless. Women's College Hospital is committed to equity, quality and patient safety as key professional values and essential components of daily practice.

With the mobilization of our 2018-2022 Strategic Plan, WCH has entered an exciting phase of its history – strengthening its bond with partners and introducing a new and inspiring vision: Healthcare revolutionized for a healthier and more equitable world.

FOR EXTERNAL APPLICANTS ONLY:

As a condition of employment, you are required to submit proof of full COVID-19 vaccination to the Hospital's Occupational Health, Safety & Wellness department. Applicants must be legally eligible to work in Canada and reside in Ontario.

Job Description

- Provides direct nursing care and participates in teaching medical students and nursing

students

- Organizes the daily activities of the Team for the provision of patient care
- Records patient health care information in a precise, concise and organized manner
- Organized necessary follow-up arrangements/referrals to community-based services for patients
- Assists patients with access appropriate health care
- Review lab, radiology and other patient results and informs patients of procedure results in accordance with the standards established by the Ontario College of Nurses (e.g. lab, radiology or other investigative procedures) as required and organizes necessary follow-up arrangements
- Assesses patient phone calls, gives advice, and responds to patient problems in accordance to the standards established by the Ontario College of Nurses
- Guided by the RNAO Best Practice Guidelines, assists patients to make realistic short and long-term goals Provides patient education related to all stages of life and refers to community resources as necessary
- Liaises with physicians, other nurses, Team Secretaries, Health Records Staff, Aide and other staff to ensure team and unit functions efficiently and effectively and ensures continuity of patient care
- Performs a variety of medical procedures such as: immunizations, injections, dressing, ear syringing, liquid nitrogen treatments

As a role model and champion you will work to identify and integrate safe, best practices into daily activities to foster the delivery of safe and exemplary care.

The responsibilities described above are representative and are not to be construed as all-inclusive.

Qualifications

- Current registration with the Ontario College of Nurses
- Basic Cardiac Life Support certificate
